pocalyko@monticellocapital.com

Michael Pocalyko founded Monticello Capital in 1997 and is the firm’s managing director and chief executive officer. He is an entrepreneur, an international economist, and an experienced executive leader of high-performance teams—he has been chairman and CEO of four corporations and twice a non-executive chairman of the board. He is also a public company “audit committee financial expert” under Section 407 of the Sarbanes-Oxley Act; a certified fraud examiner (CFE); and he advises clients worldwide on financial structures, mergers and acquisitions, and capital investments.
